

Loyalty Program

1. Go to Ecommenece -> Marketing and Promotions -> Loyalty Point
First create a loyalty program with proper value and make that to default(which ever you make as default it work in frontend like that).

The screenshot shows the 'Add Loyalty Program' page in the admin dashboard. The page has a sidebar on the left with various menu items. The main content area is titled 'Add Loyalty Program' and contains several sections:

- General Details:** Includes a 'Program Name' input field, a 'Status' dropdown set to 'Active', and a 'Description / Note' text area. There is a checkbox for 'Set as default program'.
- Redemption Rules:** Includes a 'Reward Value per Point (OMR)' input field and a 'Minimum Points to Redeem' input field set to 'e.g. 50'. A note below says 'E.g. 1 point = 0.50 amount discount.'
- Schedule Program:** Includes 'Start Date' and 'End Date' input fields with date pickers. There is a checkbox for 'Never Expires'.

At the bottom of the form are 'Cancel' and '+ Create Program' buttons.

2. After creating it will now be default apply to all customer that basis.
3. Go to customer pannel and now you see a box of loyalty point in check out page.

The screenshot shows the checkout page of the e-commerce application. The top navigation bar includes links for Home, Shop By Pet, Services, Offers, Brands, New Products, a shopping cart icon, a heart icon, a search icon, a 'Go to Profile' button, and a language selector set to 'US English'.

The main content area is divided into two sections:

- Product List:** A table with columns 'T', 'UNIT PRICE', 'QTY', and 'TOTAL PRICE'. It contains one item: 'Catit Go Natural - Pea Husk Litter Sand' with a unit price of OMR 6.820, a quantity of 1, and a total price of OMR 6.820. A 'Continue Shopping' button is located below the table.
- Summary and Loyalty Program:** A section on the right containing:
 - Added 1 Quantities:** A sub-section showing the breakdown of the order:
 - Sub Total: OMR 6.820
 - Vat (5%): OMR 0.341
 - Shipping Charge: 0.00
 - Total: OMR 7.161**
 - Loyalty Program:** A section with a blue header and a 'Available: 14 pts' badge. It includes the text 'Redeem your points for a discount on this order' and 'You will earn 14 points upon completing this purchase!'. There is a checkbox for 'Redeem all available points' and an input field for 'Enter points to redeem'.

4. In first it will show zero but after your purchase it will show how much point you earned and you can use that in order purchase time.

5.

After purchase customer can see the points they redeem and earned here.

6.

This will be customer specific points not for all. And you can see that in admin as well in customer list page.
